

SASA

We are pleased to offer the School Achiever Study Awards to responsible and active school students to study at HELP University or HELP Academy where they will be nurtured with leadership qualities and positive values so that they can contribute to the community and to society as caring and responsible citizens.

STUDY AWARD CRITERIA

- Students must be active in co-curricular activities and exhibit leadership or organizational ability in school activities
- Students who are sitting for their SPM, STPM and IGCSE (Year 11) examinations end of the year
- SASA recipients will receive a full or partial study award to further their education in HELP University and HELP Academy Programmes
- Interested candidates are invited to apply for the study award online. Shortlisted applicants will be required to attend an interview. The last round of evaluation will be a behavioural assessment.
